Refill Accessories

Lash FX Adhesive to bond the synthetic lash to the client's natural lash.

LFX/03 Lash FX Adhesive 10ml £49.00 

This is used in conjunction with the micro-brush and sponge applicator to gently de-bond and remove lash extensions.

LFX/02 Adhesive Remover 10ml £32.50

A cool marble-like stone, used to dispense adhesive onto.

LFX/078 Adhesive Jade Stone £6.50 

Oil free gentle eye make up remover for use with the natural lashes and essential for all lash extension customers. Ideal also as a retail item.

LFX/000 Eye Make Up Remover 150ml £6.65

The flexibility and tight porous surface allows you to lift the lash extensions more easily than standard, dry rubber applicators.

LFX/084 Lash Extension Holders £3.30

An essential item to divide up the natural lashes and prepare the gel patches.

Also used to protect the Jade Stone from adhesive.

LFX/082 Micropore Tape (roll) £3.79 

For most clients, the Eye Gel patches are the preferred product for covering and protecting both the lower lashes and the top of the exposed eyelid. The patches are easy to apply and can be easily adjusted.

LFX/083 Gel Patches (12 pairs) £12.00 

La La Lashes

A stunning variety of natural and high-fashion strip lashes. This range is available over-the-counter or for professional use where clients can have the lashes fitted for ultimate perfection. Inspired by the cutting edge catwalk look, strip lashes can instantly dramatise your image.

Transform your lashes entirely using either Purple Feather, Diva or Black Criss-Cross. Achieve the full couture party experience with lashes such as Dazzle or Diamond as they glitter in the light.

Alternatively choose lashes that have flamboyant feathers shooting out from the eyelid. These strip lashes allow the user to choose head turning designs which are secured by the best lash adhesive which dries with a transparent finish.

Accessories

With Skinmate Hairwell there is available a comprehensive range of accessories that work perfectly with the lash tint colours. We especially recommend that you use the Hairwell Cream Developer with the Hairwell Lash Tint Dyes for guaranteed perfect results.

A crème hydrogen peroxide developer in a 50ml bottle with dropper. Sufficient for at least 100 colourations. Gives more security and assures more lustrous, unique results.

SM324 Crème Developer 50ml £2.49

100 pre-shaped papers for professional colourations of the eyelashes. The special paper is adapted very well to the shape of the eye and absorbs superfluous colour, preventing stains on the skin.

SM928 Protecting Papers (x100) £2.49

A superfat balm for fixing the Protecting Papers. It prevents colour stains on the skin and conditions the skin at the same time. It also soothes and heals hands that are raw and irritated.

SM5013 Protective Balm 200gm £2.75

Tint remover. To de-colour any excess application of lash or brow dye on adjacent skin.

SM658 Colour Cleanse 200ml £2.99

Sundries

An indispensable item for the salon. It is practical, stable, it does not tilt, easy to keep in the hand, easy to clean, with grooves to lay down the dyeing stick safely. Can be used also for other purposes.

SM21 Glass Mixing Dish £0.95

For precision lash dye applications

SM22 Tint Applicator Brush £2.75
